We always have multiple activities on offer which allows children to choose from. This ensures they have options and we believe this increases participation and allows children to feel more welcome. For example, we have a dedicated Lego and art room for break-out activities.</p> <p>Two areas of focus will be on developing eating and cooking knowledge and skills, children will prepare meals and help to cook the meals in an outdoor environment for example over open fires. Secondly, there will be a focus on crafts and green woodwork skills so children can learn and develop skills for later life so they can become more independent and learn how to manage risks in a safe and methodical way.</p> <p>For the Easter camp we will be piloting our 'Break &amp; Create' element for the camp for older children only. Children will be able to learn woodworking skills and make practical items out of reclaimed timber. We would like to take them on a day excursion too.</p>	<p>07795546455</p> <p>Info@primarysportsgiants.co.uk</p>	<p>14 – 18 years</p>
