| <p><b>Active Future</b><br/>Madginford Hall<br/>Egremont Road<br/>Bearsted<br/>ME15 8LH</p> <p><b>10am – 2pm</b></p> <p><b>8 – 11 April</b></p> | <p>The programme will offer activities such as dodgeball, futsal, NERF, basketball, kids bounce &amp; bump, kids archery, alongside other motor skill-based games such as tag ruby games such as under overs, side to sides, nest ball. We will have quieter activities such as arts &amp; crafts, hand painting, collage making, with varying board games such as Junior scrabble, word search books, colouring books, Lego, all designed to stimulate brain function, understanding of words and language as well as encourage creativity (Lego building, hand painting). Part of the week will also involve the children engaging in producing their own songs so thinking of a song concept, coming up with lyrics, creating background noises, signing or saying lyrics which then creates their very own song. Alongside this will be the IT related sessions based around creation of own app. We also have a good-sized local park a short walk away, allowing for inclusive group games to be played or alternatively games such as hide and seek, can take place, as well as things like identifying types of tree, birds or animals in the park area. Our programme will offer physical activity, creativity opportunity, different activities such as the songwriting, IT education...which are outside of the norm and gives children the opportunity to experience something they might not otherwise get involved in. We will also spend designated time discussing with the children the benefits of healthy eating, exploring with them the differing types of healthy foods- which will be backed up by us continuing to provide healthy snacks during the four days- we had a selection of fruit, nuts, plus water available all day. In summary a programme that offers a wide variety of activities that include non-traditional offerings alongside other enriching end empowering activities such as the IT related sessions and the songwriting activities. The programme encourages fun and laughter as well as subconsciously developing self-confidence, self-worth, teamwork, leadership skills, development of motor skills and communication skills.</p> | <p>Mike Dyson</p> <p>07434793372</p> <p><a href="mailto:afmaidstone@activefuture.info">afmaidstone@activefuture.info</a></p> <p><a href="http://www.activefuture.info">www.activefuture.info</a><br/>(main franchise website)</p> | <p>5 – 11<br/>years</p> |

| <p><b>Harlequin Out of<br/>School Clubs Ltd</b><br/>HOSC<br/>Stockett Lance<br/>Coxheath<br/>ME17 4PS<br/><b>9am – 1pm</b><br/><b>12 noon – 4pm</b></p>                                    | <p>Harlequin provides a fun and exciting holiday club that is packed with fantastic activities and offers children a huge variety of toys, games, arts and crafts, outdoor activities, outings, competitions, new experiences, dance workshops and forest school days in a private and fenced forest. We have a vast amount of resources and the children can free play or self-select throughout the day. There is also a quiet corner for children who want to read or just have some quiet time. We have planned activities each day which children can choose to do - or not. Some of the activities we have offered in the last two holiday clubs include mosaics using glass/ceramics squares, science experiments, Lego challenges, dodgeball, Nordic friendship bracelets, baking, cooking, model</p>  | <p>Harlequin enquiries<br/>01622 749773<br/><a href="mailto:enquiries@hosc.co.uk">enquiries@hosc.co.uk</a><br/><a href="https://hosc.co.uk/HAF">https://hosc.co.uk/HAF</a></p>  | <p>4 – 11<br/>years</p> |

| <p><b>2 – 5 April</b><br/><b>8 – 12 April</b></p> | <p>making, salt dough, clay and painting using oils and water colours. If a child would like to do a specific activity, we always try our hardest to accommodate them. This could be building a stable for a toy pony, playing a specific game or designing a robot. Children can use the garden as and when they want to. We have lots of play and sports equipment for them to enjoy. The garden is safe and secure and is laid with all-weather turf which means we are less reliant on it being a dry spell which increases the children’s accessibility to outside play areas. Our care is focussed on supporting children’s self-esteem, confidence, social skills and communication skills. These are all vital skills a child needs to become a happy, successful and sociable young adult. You will be able to request certain days. Usually, Harlequin can accommodate your request but not always. We open at 8am and your child needs to be collected no later than 4pm. Obviously, we are not school, so you can drop your child off and collect at any time during the session. However, if you are going to be arriving after 9am, please do let the setting know. We will be providing your child with a substantial breakfast. They can choose from five cereals, porridge, Ready Brek, toast or dipped egg and toast (if they arrive no later than 9am). Children are offered water, milk or orange juice to drink. The lunchtime menu will be a healthy main meal and dessert. If your child doesn’t like the main option, there will always be jacket potatoes with cheese/baked beans/tuna available. Please involve your child in the choice of food. If you can’t do this, please do choose the menu item that you know they will eat. Harlequin welcomes children aged 4 - 11 to join in our holiday club. We have been providing out of school care for over 20 years. Most of our staff are fully qualified. All have DBS, first aid training and a wealth of knowledge and experience caring for children. We also have our own forest school leader and outdoor educator. We do offer appointments for you and your child to visit Harlequin before booking. This can be done via the website, which also has a lot of photos and information <a href="http://www.hosc.co.uk">www.hosc.co.uk</a>.</p> |  |                         |
