

We are in this together...

Free support for schools and academies...

The Education People's School Improvement team is giving complimentary assistance to support with the current challenges.

You or your subject leaders can contact our Specialist Leads, **Zoe Enser (English)** and **Andrew Woods (Mathematics)** about:

- calculated grades, moderation of work, ranking and general advice and guidance following Ofqual's guidance.
- advice and support for curriculum development, planning and implementation.
- information and guidance on pedagogy and resources.
- general support and reassurance
