<p>The Sports Trust F51, Sports Park Tontine Street Folkestone CT20 1SD</p> <p>9am – 2pm</p> <p>18 – 21 December</p>	<p>F51 is the world's first purpose-built multi-storey skatepark, opened on 4 April 2022. It is home to three skatepark floors, a 15m climbing wall, dedicated bouldering area, cafe and boxing facilities. The venue contains a concrete bowl and separate pool with unique design features and has a maximum depth of 2.7m. The first floor is home to a large 'street' skatepark with 700sqm of skate area, utilising a mixture of obstacles inspired by street furniture and modern skatepark design. The top floor houses a 'flow floor' which is aimed at all abilities and is made from a full timber structure. The venue also has a 15m high climber wall, with 15 lines and two dedicated speed climbing walls, plus a bouldering area. There is a café and kitchen which can accommodate up to 80 to 100 customers, as well as a modern and fully equipped boxing gym. Each floor can accommodate all levels of ability and F51 has a large number of qualified and experienced staff/instructors who will be delivering all HAF activities. For all HAF delivery during the 2023 period, we will be providing a programme that will offer a comprehensive sports, physical activity, healthy living and enrichment programme that will be accessible to</p>	<p>r.haden@thesportstrust.org</p> <p>www.thesportstrust.org</p>	<p>5 – 16 years (up to 18 years for young people with SEND)</p>

	<p>young people aged 4 - 16 and 16 - 18 years of age with SEND. Our sessions will be fun, educational and will cater for all levels of ability which ensures all children taking part feel safe, have fun, learn new skills, make new friends and get to spend their school holidays with their peers. Sessions available at F51 will include skateboarding, scootering, BMXing, climbing, bouldering and boxercise, socialising groups, working as a group and team building challenges for both males/females.</p> <p>For our enrichment offer, we will include arts and crafts activities, healthy lifestyle and eating activities and environmental activities, including making bug hotels and making your own portrait. We will encourage all those who produce things within our enrichment sessions to take them home to keep, use and show others their fantastic work. Our enrichment offer will be provided in a fun but educational format, provided by specialists in each area of delivery and in a way that enables young people taking part to have fun and also learn new things that can and do have an impact on them and their families on a long-term basis. We will also use the kitchen at F51 as part of our enrichment offer with regard to healthy eating, examples of how to cook and food quizzes.</p> <p>Enrichment activities will take place on each day of delivery and skateboards, scooters, BMXs, climbing harnesses and protective equipment will be provided.</p>
